Crest seeks volunteers for new Health and Wellness Committee

WILDWOOD CREST – The Borough of Wildwood Crest is seeking residents to volunteer for the newly established Wildwood Crest Health and Wellness Committee.

The purpose of the committee is to provide a community initiative to promote healthy and active living through exercise, proper nutrition and more. The committee will be tasked with helping establish programs and activities designed to promote health and wellness in the borough.

Residents interested in joining the committee should contact Nicholas Holland of the Wildwood Crest Recreation Department at (609) 523-0202 or via email at nholland@wildwoodcrest.org.
