Meeting Minutes – 23 May 2018
Borough Hall, 6101 Pacific Avenue**

The Borough of Wildwood Crest Green Team met on 23 May 2018 in the second floor Conference Room.

The meeting came to order at 2 p.m. Members Mary Celebre, Angel Daniels, Joe Franco, John Livecchi, Deborah Rogers and Chairman Sam Wilson were in attendance. Kate Grassi and Darleen Devlin were absent. Business Administrator Constance Mahon also attended.

The minutes of meeting 25 April were approved as distributed on motion of Ms. Daniels, second by Mr. Franco and unanimous voice vote.

Peter Lomax of the Lomax Consulting Group was introduced and gave a presentation on the Community Forestry Management Plan. He outlined the steps necessary to establish and implement a plan for the Borough, telling the Team he will be guiding and participating in this process. Mr. Lomax noted the stakeholders in the municipal government as the Board of Commissioners, Planning Board, Zoning Board of Adjustment, Police Department, Department of Public Works and the Green Team. He said information will be sent to the secretary for distribution to the Team to begin working on the plan, noting that not all aspects of the outline need to be addressed immediately. He said the Team should be prepared to submit application no later than 15 September.

Administrator Mahon told the Board about the upcoming Shade Tree Conference, noting Team Member Gene Mulligan has attended in the past. She informed the Team there are CEU credits granted for attendance and participation.

The Team will be participating in the Borough Wellness Fair Thursday, 21 June from 10 a.m. until 1 p.m. at Crest Pier. It was decided three people should be at the Green Team table to distribute saplings, handouts and answer questions. Administrator Mahon suggested the Team show the "Plant a Tree with Me" video made by Sophia Lomax on a laptop at the table. The secretary was directed to distribute a sign-up schedule for the Team.

The Team voted to establish the fourth Wednesday of each month at 2 p.m. as the regular meeting date and time. This will be published per the "Sunshine Act".

Under new business, Chairman Wilson asked the team to concentrate on marrying our goals to the plan as presented by Pete Lomax.

The Team was reminded to visit the web pages of Sustainable Jersey and the NJDEP for information.

Meeting adjourned by unanimous vote 3:45 p.m.
