The Mayor opened the floor for public commentary. Dennis Travascio, 112 E. Louisville, inquired about taxi cab licenses and why it did not go island wide. The Mayor indicated that the state took some action with regard to Uber and they fall under the State Attorney General and the Borough will look to re-do after we receive the mandate from the state. The Mayor further indicated that if we cannot look to do the licensing island wide, the Borough will do on its own. Mr. Travascio asked if the reports received from the Chief Financial Officer, Tax Collector, Court Administrator and Chief of Police were public records and the Mayor indicated they were.

Hearing nothing further from the public, the Mayor asked if the Commissioners had anything for New Business. The Mayor added that the Engineer would like to discuss the Kayak launch and would like input from the Board as to what they would like to see /configuration and that this tied into the FEMA Repair Project. He asked both Commissioners Gould and Cabrera to coordinate with Connie. The Mayor then raised the issue of people calling with regard to the entrance to the Bike Path at Rambler Road. Commissioner Cabrera agreed that as you head South on the bike path and come to Rambler Road, you see the orange pylons and asked the Chief if there was a safer way and the Chief indicated he would look and meet with Commissioner Cabrera the following morning. Commissioner Cabrera then added that Wildwood Crest was chosen 2017 Trip Advisor “Hot Spot” and would like to coordinate posters and signage at the beach. He also indicated he wanted to call a special meeting with the TDC to discuss this unique opportunity. The Mayor asked the Clerk to remind the Administrator to follow up. Commissioner Gould indicated that Channel 6 was scheduled to be in Wildwood Crest the following day to do a piece on the Trip Advisor “Hot Spot.”

Commissioner Cabrera lastly added that at his informal “Coffee with Cabrera” that the following concerns were brought to his attention were additional signage with regard to cigarette butts and new beach signs. The Mayor agreed. Commissioner Gould also introduced the new boro logo behind them.

With regard to Old Business, the Mayor indicated that the Administrator had a meeting with regard to the generator and would update upon her return. There were no developments with the Army Corps Beach Plan and the Kayak Launch was previously discussed

The floor was opened once again for public commentary. Hearing nothing further from the public regarding the Public Commentary portion, Mrs. Gould motioned, seconded by Mr. Cabrera that the meeting be adjourned. All were in favor. The time was 5:49 p.m.
