**Community Input Survey**

**To:** Individuals and Organizations interested in the Ocean Drive (CR 621) Upgrades & Bridge Improvements Local Concept Development Study

**From:** Cape May County County Engineer

**RE:** **Community Input Survey**

The South Jersey Transportation Planning Organization (SJTPO) and Cape May County are extending an invitation to local officials, community stakeholders and residents in the vicinity of the Ocean Drive Causeway to represent their community interests and participate in this Local Concept Development Study.

The purpose of this survey is to obtain feedback about who is currently using the causeway, what modes of transportation are being used, and what issues the Project Team should be aware of when developing future alternatives. This survey is intended to take less than 10 minutes to complete and may also be completed electronically on our website: [www.capemaytwomilebridge.com/survey/](http://www.capemaytwomilebridge.com/survey/)
