

## **Quick Home Energy Check-Up Program Can Save Customers Big!**

Atlantic City Electric is once again offering its Quick Home Energy Check-Up program that could save customers a great deal of money. And it's free! The Quick Home Energy Check-Up Program is a fast, easy way to reduce energy use in your home and save money. This program is at no additional cost to all Atlantic City Electric customers who reside in New Jersey. The quick home energy check-up will be performed by a trained Energy Analyst from one of Atlantic City Electric's participating contractors.

The Energy Check-Up will include:

- Assessing your home's energy use
- Recommend energy-saving improvements
- Install energy savings products which may include LED light bulbs, pipe wrap for you electric hot water heater, efficient flow showerheads, faucet aerators and power strips.

After completing the assessment your energy professional will:

- Provide you with a summary report explaining the findings
- Identify ways you can reduce energy use and costs
- With your permission only install energy efficient products

Schedule your check-up today by calling 1-855-861-0151 and begin saving!
