

NOTICE

The Cape May County Municipal Utilities Authority continues to provide essential solid waste services during this unprecedented time utilizing a reduced crew. For this reason, **effective Monday, March 30, 2020 and until further notice, the Cape May County Municipal Utilities Authority will temporarily suspend the acceptance of non-commercial private customer generated solid waste and/or recyclables at its Transfer Station convenience center.**

This temporary suspension includes the following materials:

Type 10 Municipal Waste

Type 13 Bulky Waste

Type 13C Construction and Demolition Waste

Single Stream Recyclables

Electronic Waste

White Goods

Scrap Metal

Batteries

Paint and Stains

Wood Pallets

Film Plastic

Used Motor Oil and Anti-freeze

The Sanitary Landfill in Woodbine continues to accept non-commercial private customer generated solid waste and/or recyclables with the exception of paints and stains.

The Solid Waste Landfill is located at:

2050 Dennisville-Petersburg Road (Rt. 610)

Woodbine, NJ 08270
