Wildwood Crest extends start date of moratorium on heavy construction to June 19

WILDWOOD CREST – The Board of Commissioners of the Borough of Wildwood Crest has passed a resolution that extends the moratorium start date on demolition, pile driving and house raising from May 15 to June 19 for 2020 only.

The resolution was passed unanimously at the regular meeting of the Board of Commissioners on May 20.

The measure was put in place in reaction to a delay of construction projects in the borough earlier this spring resulting from the prohibition on non-essential construction through Executive Order 142 signed by New Jersey Governor Phil Murphy.

The extension of the moratorium to Friday, June 19, is designed to aid contractors in completing such construction activities ahead of peak summer season activities.

For more information, contact the Borough of Wildwood Crest construction office at (609) 729-8089.
