Wildwood Crest relaxes special event permit application process

WILDWOOD CREST – The Board of Commissioners of the Borough of Wildwood Crest has passed a resolution that temporarily relaxes the procedural timeline for special events permit applications.

The resolution was passed unanimously at the regular meeting of the Board of Commissioners on May 20.

The resolution allows for those seeking to run a special event in the borough to submit their applications for permitting less than 60 days ahead of the date of the event, as previously required. This measure was passed in anticipation that the regulations, prohibitions and social-distancing requirements with the various executive orders set forth by New Jersey Governor Phil Murphy may eventually be relaxed, modified or eliminated, potentially permitting more activities and larger gatherings within the borough.
