Wildwood Crest to host grand opening ceremony to celebrate improvements made to Sunrise Park at Rambler Road on June 25

WILDWOOD CREST – The Borough of Wildwood Crest will host a grand opening ceremony on Friday, June 25, at noon to celebrate improvements and additions to Sunrise Park at Rambler Road. The ceremony is open to the public.

Improvements at Sunrise Park at Rambler Road include the additions of a splash park, outdoor fitness area and a second large playground structure to complement existing playground amenities. Other enhancements include new bike racks, additional seating areas, improved landscaping and signage. Additional fencing is expected to be added in July.

Cost of the project was approximately \$640,000, with nearly \$285,000 of that total funded through the Cape May County Open Space program.

Sunrise Park is open daily. The hours of the new splash park, which has been open to the public since Memorial Day weekend, are 10 a.m. to 7 p.m. daily.

Elected officials from the Borough of Wildwood Crest, members of the borough's various volunteer boards and committees, and others involved with the planning and execution of the project are expected to attend the grand opening ceremony.

Sunrise Park at Rambler Road is located between Ocean Avenue and the Wildwood Crest Bike Path from Rambler Road to Lotus Road.

A site design of the project is available on the Special Projects page of the borough website at wildwoodcrest.org.
