Wildwood Crest commissioners to discuss west side bayfront project at May 22 public meeting

WILDWOOD CREST – The Borough of Wildwood Crest plans to discuss details of its planned west side bayfront project at the next meeting of the borough’s Board of Commissioners on Wednesday, May 22, at 5 p.m. at borough hall.

Borough engineer Marc DeBlasio will provide information on the project, which includes upgrades to outfall lines and valves, street-end raising, new bulkheads and more.

The timeline for the project, which is set to begin in October, will also be discussed.

The public is encouraged to attend the meeting, particularly those who live on or near the borough’s bayfront.

For those who cannot attend, the meeting will be shown live on the Wildwood Crest YouTube channel and the Wildwood Crest Facebook page. The meeting can also be accessed via conference line by dialing 888-363-4734 and using access code 9699020.

For more information, contact the Wildwood Crest clerk’s office at 609-729-8040.
