Asbestos Removal

Block _____ Lot _____

Property Address _____

Contractor _____

Phone _____ Email _____

I confirm that a visual inspection was conducted and asbestos containing materials are **not** visually present. However, if asbestos containing materials are found during the work process all work will stop until all asbestos containing materials are removed and disposal is done in accordance with N.J.A.C. U.C.C. 5:23-8.20 (c).

SIGNATURE OF OWNER/CONTRACTOR/AGENT

DATE

I confirm that all visible asbestos containing material has been removed from the building located at the above-mentioned address, that all Federal and State regulations have been met and that the asbestos was handled properly when abated. **A copy of the dump receipt will be submitted as proof of proper disposal as soon as it is available.**
