WHEREAS, the Borough of Wildwood Crest Planning Board has undertaken a periodic reexamination of the Borough's Land Development Ordinance in order to evaluate whether any revisions to the Ordinance are appropriate; and

WHEREAS, the Planning Board established a subcommittee consisting of three (3) Board members, the Board Secretary, the Board Solicitor, and the Borough Zoning Officer in order to conduct a comprehensive review of the Borough's Land Development Ordinance, and to thereafter recommend revisions to same to the Board as a whole; and

WHEREAS, the Planning Board Subcommittee reviewed and discussed potential revisions to the Borough's Land Development Ordinance prepared by the Borough's Professional Planner, Michelle Taylor, P.P., A.I.C., to modify various definitions, to address setback requirements for half stories, and to modify the dimensions of curb cuts associated with residential uses; and

WHEREAS, at its April 1, 2026 regularly scheduled meeting, the Planning Board considered and discussed recommended revisions to the Borough's Land Development Ordinance that were proposed by the subcommittee and determined that the Ordinance revisions proposed by the subcommittee were reasonable, necessary, and consistent with the Borough's Master Plan, and the Board voted unanimously to formally recommend that the Board of Commissioners of the Borough of Wildwood Crest amend the Borough's Land Development Ordinance, to incorporate the revisions outlined below; and

WHEREAS, the proper notices were given to the persons and bodies as required by law and the necessary publications were undertaken and proofs with respect thereto have been filed; and

WHEREAS; the Board of Commissioners desires to amend and augment the Borough's Land Development Ordinance and the Planning Board's recommendation as set forth in its Resolution No. PB-26-04 adopted April 1, 2026 as authorized by N.J.S.A. 40:55D-62.

NOW, THEREFORE, BE IT ORDAINED by the Board of Commissioners of the Borough of Wildwood Crest, in the County of Cape May, New Jersey, as follows:

Section 1. The portion of Ordinance 908, adopted 6/17/2002, the portion of Ordinance 977, adopted 8/24/2005, the portion of Ordinance 983, adopted 10/26/2005, the portion of Ordinance 1013, adopted 7/12/2006, the portion of Ordinance 1017, adopted 6/1/2006, the portion of Ordinance 1022, adopted 12/13/2006, the portion of Ordinance 1062, adopted 7/23/2008, the portion of Ordinance 1101, adopted 6/3/2010, the portion of Ordinance 1116, adopted 1/26/2011, the portion of Ordinance 1287, adopted 9/5/2018, and the portion of Ordinance 1442 adopted 1/2/2025 that had been codified in the Code of the Borough of Wildwood Crest as Section 85-11

of Chapter 85 is hereby amended and supplemented as follows (added language is underlined, deleted language is ~~stricken~~):

Section 85-11 Definitions.

FLOOR

A continuous supporting, level, base surface extending horizontally throughout a building, having a number of rooms or hallways, constituting one level of a structure, and upon which one stands or walks unimpeded.

STORY

That portion of a building included between the upper surface of any floor and the upper surface of the next floor above it or, if there is no floor above, then the space between the floor and the ceiling next above it. The interior of any unfinished roof shall not be considered a ceiling. Notwithstanding the foregoing, any ground floor area or building space located below the applicable local design flood elevation, as defined in Section 36-2.3, shall not constitute a story and shall be excluded from the calculation of the total number of stories, so long as the ground floor area or building space is contained entirely below the applicable local design flood elevation. Where, however, the ground floor area or building space is designed or constructed to extend above the applicable local design flood elevation it shall be considered a story.

~~That portion of a building included between the upper surface of any floor and the upper surface of the next floor above it or, if there is no floor above it, then the surface between the floor and the ceiling next above it. For the purposes of this Ordinance, the interior of any unfinished roof shall not be considered a ceiling. Moreover, cellars and basements shall be considered stories when considering the height of a building. In addition, ground floor areas, whether open or enclosed, shall be counted as a story regardless of whether or not the ground floor area contains habitable space~~

STORY, HALF

A space under a sloping roof that has a line of intersection of the roof and wall face not more than one foot above the floor level and in which space the possible floor area with headroom of five feet or more is less than 33% of the total floor area, including any unfinished attic space, of the story directly beneath.

See graphic illustration below:

PRINCIPAL ROOF

A structural framing system featuring large, primary rafters (principals). Rafters in conjunction with trusses and tie beams, form the main load bearing skeleton of the roof, distributing weight to the external walls.
